

APPENDIX

EXISTING SYDNEY OLYMPIC PARK AUTHORITY GUIDELINES AND POLICIES

New development at Sydney Olympic Park will be required to demonstrate compliance with the provisions contained in the Master Plan and the provisions within the policies and guidelines outlined below. If there is any inconsistency between the Master Plan provisions and those within the documents outlined below, the Master Plan will prevail except where legislative provisions prevail.

- *Sydney Olympic Park Authority Act 2001*
- *Environmental Guidelines for the Summer Olympic Games (September 1993)*
- *All relevant NSW Environment Protection Authority and National Parks and Wildlife Services regulatory instruments*
- *Homebush Bay Public Domain Master Concept Design: Design Report (March 1997)*
- *Homebush Bay Development Guidelines (1995)*
- *Volume 1 Environmental Strategy (1995)*
- *Volume 4 Transport Strategy (1995)*
- *Volume 5 Landscape Strategy (1995)*
- *Draft Environment Policy (April 2002)*
- *Draft Sydney Olympic Park Authority Access Guidelines (2002)*
- *Sydney 2000 Olympic and Paralympic Games Environmental Benchmarks (2001)*
