Booking Terms and Conditions

Booking an Excursion

A school excursion booking form can be obtained by calling our Customer Service and Sales team at Sydney Olympic Park Authority on 02 9714 7888 or email bookingsvc@sydneyolympicpark.com.au.

Note: Active Lifestyle Program booking form comprises two pages. Completed booking form(s) should be returned by fax 02 9714 7135. Teachers will receive a confirmation, additional excursion information if applicable and a Teacher Preview Application Form by fax. All excursion information can be obtained from our website, visit www.sydneyolympicpark.com.au/education

Final Student Numbers

The school is required to call the Bookings Coordinator 02 9714 7888 to finalise student numbers five days prior to the excursion date. The Authority will invoice the school for the student number quoted or the number of students in attendance on the day, which ever is greater.

Wet Weather Cancellation

Cancellation of an excursion due to inclement weather must occur by 12pm on the day prior to the excursion date. If this requirement is not met the school will be charged a cancellation fee of \$150 per class that was to attend.

Excursion Cancellation

The cancellation of a booking (unrelated to inclement weather) within two weeks of the excursion date will incur a cancellation fee of \$100.

Minimum Numbers

Minimum numbers for a single class excursion is 20 students or 50 students for Get Active Day.

A minimum fee applies to groups with fewer than 20 students.

€ \$220 ... K-6

€ \$290 ... Yrs 7-10

€ \$380 ... Yrs 11-12 (If two senior classes from one school combine to form a group size of >30 but <40, the group will be split into two classes. In this case, as the groups are fewer than 20 students each, a minimum fee of \$380 per group will apply.)

Group Size

Group sizes for the excursion can be a maximum but not exceeding 30 students in accordance with the risk management policies. The total number of students that arrive on the day will be divided up into group sizes of between 25 and 30 students.

Excursion Start & Finish Times

Each excursion has a specific start and finish time as listed below. A school may coordinate their excursion within these times depending upon their needs. For Active Lifestyle Program times refer to page 2 of the booking form.

€ K-6 9.30am to 11.30am and 12.30pm to 2.30pm

€ K-6 Get Active Day 10am to 2pm

€ Yrs 7-10 10am to 2pm

€ Yrs 11-12 9.15am to 2.15pm

Student Behaviour Policy

Preamble

The design of the excursion programs are predicated on the assumption that participating school groups will arrive on site; prepared for engagement, that they will be safe, respectful learners who are willing to cooperate with accompanying school staff and Education Officers as well as collaborate with other students, in order to achieve the program's aims and objectives.

Program activities are conducted in an outdoor setting. The study area of the field environment is relatively isolated and is subject to extremes of weather, seasonal insects, changeable walking surfaces and has no food and limited drink outlets. Students should take personal responsibility in preparing for their excursion by planning for snacks/lunch/water, rain/sun/insect protection, suitable covered/all terrain footwear, writing materials/clipboard, camera, suitable zippered bag that will discourage bird intrusion.

Achievement of program outcomes, personal satisfaction and individual learning requires students to behave with a high level of decorum. Students should:

- Quietly move around the program study area in a supervised and timely manner
- Record activity outcomes and observations with accuracy and thoroughness
- Manage activity resources safely, dependably and respectfully,
- Treat all others with decency and civility
- Demonstrate empathy with the flora and fauna in their surroundings
- Use cameras and recording devices for excursion purposes only and
- Comply with instructions and directions.

(Please see NSW DET Policy 'Student Discipline in Government Schools' 3.1, 3.2, 3.6, 3.7)

Accompanying staff members are ultimately accountable for student behaviour and retain 'duty of care' during the excursion. However, students should be aware of the requirement that they follow instructions and directions from the Education Officers. Students are required to take personal responsibility for their behaviour.

Activities within the Parklands of Sydney Olympic Park are undertaken in strict compliance with the Plan of Management. School groups are not permitted to interfere with the flora and fauna in any way unless permitted to do so by the Authority's Education Officer.

Excursion activities may take place in public spaces. School groups are required to move around effectively and safely, sharing pathways and boardwalks with other park users including cyclists, walkers, joggers and service vehicles.

Electronic devices are not to be used during excursion activities. Cameras and water bottles are permitted. School bags are secured in a locked area, however we advise that valuables are not brought on the excursion.

Education Officers will encourage students to practice appropriate behaviour in accordance with the spirit of the preamble and verbally reward them when it is demonstrated. Conversely, after advice and cautions have been issued, an Education Officer may determine that the Student Behaviour Policy has been breached. In consultation with the supervising school staff, an Education Officer may take one of the following actions:

- Misbehaving students or groups are withdrawn from an activity into a supervised 'time out'
- The remainder of the activity is terminated and the class undertakes a supervised 'time out'
- The remainder of the program is terminated and the class is supervised in the staging area.

Refer to individual Sydney Olympic Park venues for their Conditions of Entry. Terminating the excursion requires the Education Officer to contact their supervisor and complete an Incident Report.

Further Information

This policy has been designed to provide behavioural guidelines for staff and students who participate in education programs offered at Sydney Olympic Park. This policy is designed in conjunction with the NSW DET Policy 'Student Discipline in Government Schools.'
