

Mini Park Rangers

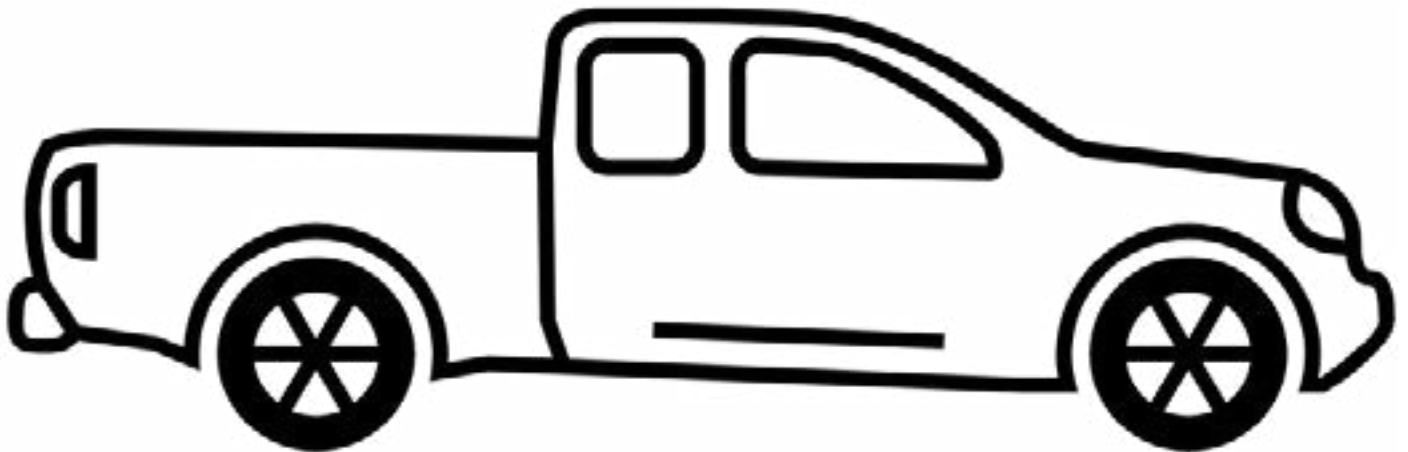

Park Rangers on Patrol

Parent's Notes

We hope your Mini Park Ranger has enjoyed this week's Mini Park Ranger video and knows a little more about what a Park Rangers does every day when on duty at the Park.

The Park Rangers at Sydney Olympic Park play an important role in ensuring the parklands are safe for all visitors and that both animals and their habitats are protected. As part of their day to day duties, they are responsible for ensuring there are no hazards, conducting environmental monitoring, attending to injured wildlife, assisting if there are any emergencies and helping visitors with enquiries. They are always ready to help people find their way and discover new places right across the Park. Use our [interactive map](#) to help you plan your next adventure.

The Ranger Ute

Mini Park Rangers, can you draw an orange light on top of the Park Ranger ute. Can you draw a Park Ranger as a driver inside the ute.

Draw something in the back of the ute....is it a lost dog, a injured lizard or bird or is it something else?
