

What's in your backyard?

Everyone's backyard is different. At Sydney Olympic Park we have many different species of birds, plants, trees, bugs and more!

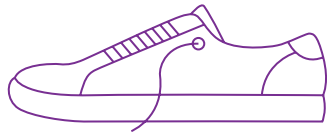

Adventure in your own backyard or neighbourhood to find the items below. Cross off each item as you find them.

Remember to always have a parent/guardian with you and be safe when walking around your area.

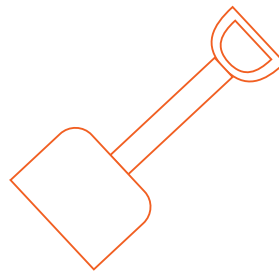

Don't touch bugs or spider webs with your hands – you might disturb their home!

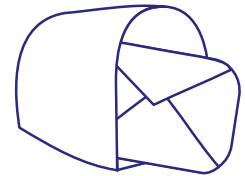

a bug that flies

running shoes

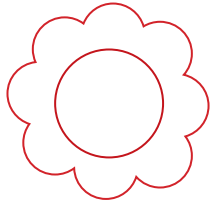

shovel

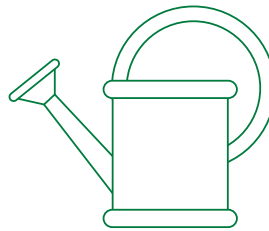

mailbox

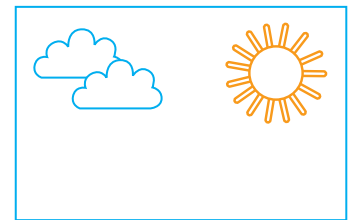

something as fluffy as a cloud

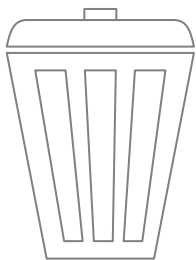

flower

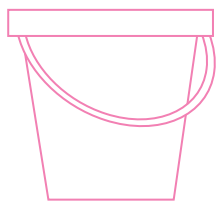

watering can

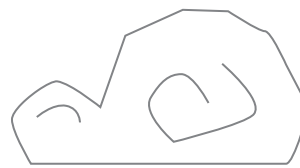

something the same colour as the sky

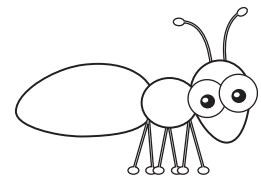

garbage bin

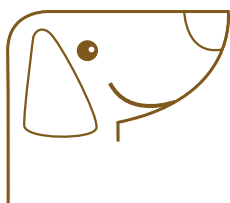

bucket

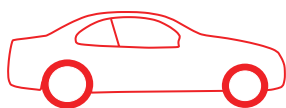

rock shaped like an animal

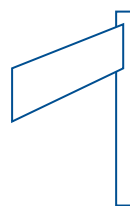

a bug that crawls

dog
