Frog toilet roll craft

Follow these steps:

1. Cut a long strip of green paper, as wide as the paper roll to cover it. If you only have white, no worries, you can either colour-in or paint your paper!
2. Print out the template below and cut out the legs, arms and the frog's face. Alternatively you could use these as a guide and have fun with your own shapes!
3. Stick together all of the shapes to make your frog.
