Notes:

- **Bonds will be applied at the discretion of Sydney Olympic Park Authority if deemed high risk and will be discussed on application.**
- **If the work/truck zone is located within a metered parking area, the applicant is responsible to pay Sydney Olympic Park Authority loss of income. This will be calculated per space, per hour for the period of permit.**
- **If accessible parking bay/s is occupied, temporary accessible parking bay/s need to be setup in close proximity. All cost for the temporary bay/s will be at the cost of the applicant**
- ***A 10% project management cost will be applied to the cost if the works are carried out by SOPA.**
- ***Contractors are liable to maintenance of any restoration works for minimum of 12months. The liability period may be more depending of the location and type of the assets.**
- ***50% of the bond will be retained for duration of the defect liability period.**
